	* Susan Hall	Minute 430
	* Barry Macleod-Cullinane	Minute 430
	* Paul Osborn	Minute 430

- * Denotes Member present
- † Denotes apologies received

RECOMMENDED ITEMS

439. Key Decision - Revised Proposed West London Waste Plan: Pre-Submission Consultation Document

The Portfolio Holder for Planning and Regeneration introduced the report which, following discussions amongst the partner boroughs, sought agreement to a revised site designation to Harrow's Deport site that would help overcome the Council's concerns in relation to the policy wording of the Plan. He added that the outcome of the revision would result in a reduced site area being proposed for waste management of 1.83 hectares and, overall, this would reduce the total site area identified in the WLWP to 27.54 hectares.

The Portfolio Holder added that, following public consultation and an assessment of the responses received, including further evidence based

research, the draft WLWP would be reported back to Cabinet and Council for further approval to submit the draft WLWP with any further proposed changes to the Secretary of State for formal examination.

Resolved to RECOMMEND: (to Council):

That

- (1) the West London Waste Plan: Pre-Submission Consultation document, at Appendix A to the report, be approved including the revision to the Harrow Council Depot site designation;
- (2) the revised West London Waste Plan: Pre-Submission Consultation document, at appendix A to the report, and the associated Sustainability Appraisal, be approved for an eight-week public consultation in accordance with the adopted Statement of Community Involvement.

Reason for Decision: To enable the Council to make meaningful progress on the West London Waste Plan (WLWP) in order to meet targets set out in the London Plan 2011 and Planning Policy Statement 10, which is still extant.

To provide, in due course, an up-to-date policy framework to assess planning applications for waste management facilities across the six West London boroughs: Brent, Ealing, Harrow, Hillingdon, Hounslow and Richmond upon Thames. Planning applications for waste management facilities would also be assessed by each borough against their individual Local Plans, including local development management policies and any other material considerations.

(Note: The meeting, having commenced at 7.30 pm, closed at 9.51 pm).

(Signed) COUNCILLOR BILL STEPHENSON
Chairman
