Following the appointment of the Chairman and Vice-Chairman, the JHOSC is asked to confirm its **Terms of Reference** which were discussed previously at an informal JHOSC meeting:-

**Terms of Reference**

1. Consider the 'Shaping a Healthier Future" consultation arrangements - including the formulation of options for change, and whether the formal consultation process is inclusive and comprehensive.
2. Consider and respond to proposals set out in the 'Shaping a Healthier Future" consultation with reference to any related impact and risk assessments or other documents issued by or on behalf of NHS North West London in connection with the consultation.

When previously discussed the informal JHOSC agreed that the Terms of Reference needed to reflect the distinction between the role of the JHOSC and the roles of local Health OSCs. The JHOSC is now asked **to consider** if it needs to make any amendment to 1. and 2. above to reflect this point.
