Main Grants Programme 2012/2013

Guidance notes to grant applicants

Harrow Council is inviting applications for funding from Third Sector organisations for 2012/13. Please ensure that you read these guidance notes fully before completing your application form as it contains important information. Each application will be judged on its merit based on the information provided in the form and will **not** take into account any previous funding received from the Council. **We recommend that organisations submit no more than ONE application for funding, concentrating on a key project or activity.** This is in order that the Council can distribute the available funding as widely as possible to support the voluntary and community sector to deliver services to borough residents.

We will fund:

- Revenue costs, such as staffing, volunteer costs, overheads etc.
- Projects or activities that contribute to the Council's corporate priorities.
- Projects or activities that tackle disadvantage, foster good relations and promote equality of opportunity.
- Projects or activities that provide value for money and added value in delivering outcomes.
- Projects or activities that have clear outcomes and plans for delivering these.
- Projects or activities that have clear plans for ensuring accessibility for the intended beneficiaries.

We will not fund:

- Activities that promote the adoption of a particular faith or religion.
- Activities that promote or oppose any political parties or cause.
- Projects or activities that the Council has a legal or statutory obligation to provide.
- Capital costs such as building work, office furniture, IT equipment etc.

Assessment criteria

Your application will be assessed against the following criteria:

- Evidence of need for the proposed project/activity and
- How the project/activity will address the need you have identified.
- How the project/activity tackles disadvantage, fosters good relations and promotes equality of opportunity.
- How your project/activity will deliver your proposed outcomes.
- How people can get involved and can access the project/activity.
- How your project/activity will give added value such as "Using volunteers"
- Clear and realistic costs for the project/activity.
- Exit strategy beyond the life of this funding.

What happens next?

Once your application form has been received by the Grants Team we will send you an acknowledgement. **There will be no further contact with your organisation during the assessment stage.** Following the assessment of your application against the assessment criteria described above, the Grants Advisory Panel will make recommendations to Cabinet. After this process has been completed you will be notified of the outcome of your application. You will also receive details of the appeals process should you wish to appeal. It is only after the appeal stage that you will be notified of the final award amount, if the application has been successful.

**Information sessions on the Main Grants Programme will take place in H Y Members Lounge
Wednesday, 9th November between 2 to 4 pm and
Monday, 14th November between 6 to 8 pm.**

Please e mail grants.grants@harrow.gov.uk to reserve your place for the Information Session.
